

**The Pittsburgh Conference of Jewish Women's Organizations has partnered with Soles 4 Souls, an international organization, in a project involving all Jewish organizations in the Tri-State area. Their sister city in Israel, Karmiel Misgav, is also involved in this project. They are collecting all wearable shoes that will be sent to needy parts of the world. Collection boxes will be in the Temple entryway from February 7th to March 9th. Please drop-off your gently worn shoes at the Temple during this time period. All donations are greatly appreciated for this very worthy cause!!!**
